

2016 ICPA Contest Rules

1. Member newspapers and students on staff are eligible to enter. While a paper must be a member of the Illinois College Press Association to enter the contest, there are no entry fees. Entrants need not be present at the **awards luncheon on Saturday, Feb. 18, 2017**, to win an award.
2. All entries must have been published between Dec. 1, 2015, and Nov. 30, 2016. Entries should be submitted through the ICES contest system. Directions attached.

Questions can be submitted to:

Chris Richert

ICPA 2nd Vice President

icpa@newspapercontest.com

Deadline for submitting entries is Friday, December 16, 2016 at 11:59 p.m.

3. **General info about ICES follows. Improperly prepared or late entries will be disqualified.**
4. We reserve the right to cancel a category if there is a lack of entries.
5. All entries must be the work of a student member of a student newspaper staff. Entries must be from papers that are members of the Illinois College Press Association.
6. Please limit the number of students listed for awards. Cite the person whose work is most reflected for each category. Only cite a second person if they contributed significantly to the overall story, design, etc. Do not list every editorial board member for editorials; instead, name the person who wrote the editorial or write "staff." **Entries with three or more entrant names listed will be credited to "staff."**

Category Notes:

1. Any member newspaper, daily or non-daily, may submit entries for the Open competition. Separate categories have been established for judging dailies and non-dailies (see categories sheet).
2. **General Excellence** (categories #16, 35) dates should represent three editions on or closest to the following dates: **March 23, 2016, April 18, 2016, and October 10, 2016.** (The Illinois Press Association randomly selected the dates.) If you published an issue on any of the specified dates, you must submit that issue.
3. For **Front Page Layout** (categories #17, 36), an entry shall consist of three consecutive publications — but do not send an entire edition, just the front pages.

4. For **Classified Section** (category #5) and Other Cartoon, Strip or Panel (category #2), an entry shall consist of work from three issues. In all other categories, single issues should be submitted.
5. For **General Excellence** (categories #16, 35), Front Page Layout (categories #17, 36), and Entertainment Supplement (category #6), schools may submit only one entry. In all other categories, schools may submit two entries. Submit only entries of high quality that merit attention.
6. For **Photos** (categories #30, 31, 32, 33, 34, 49, 50, 51, 52, 53), a photo published online may be entered, even if it was not published in print.
7. For **Online News Site** (category #14), please include your online publication's URL on the entry.
8. For **Multimedia Reporting** (category #15), entries should use new media such as audio, video and slideshows to report on news, features or sports. Entries may or may not have appeared in print.
9. For **Sports News Story** (categories #23, 42), please note that this does not include game stories. (Use the Sports Game Story categories for those.)

Step-by-step Instructions for Entry Submission to the 2016 ICPA contest on ICES

Deadline for submitting entries is Friday, December 16, 2016 at 11:59 p.m.

Step 1 — The Association Code from ICPA is ICPA2016 - Register on the contest website using your email address. You will receive a confirmation email, which you will need to complete registration. Use the link above to register.

Step 2 — Login to <http://www.newspapercontest.com/icpa>. You will see a page showing any entries you have already submitted. Complete rules for both advertising and editorial contests are available above (click links). Some browsers, such as Safari, will open the rules in a new window; others will require you to download the PDF file to your computer.

Step 3 — Click on the “Add New Entry” link.

Step 4 — On this page, select your newspaper name. A lot of information will autofill. If that information is incorrect, please call Chris Richert at 312.369.8955 or email icpa@newspapercontest.com. Your Division will be selected for you based on your circulation. Fill in the preparer’s name.

Step 5 — Select the contest class. These are drop-down menus for your convenience. This field will clear each time you save an entry, so you must select a class for each new entry. When you select the class, special instructions will appear below it.

Step 6 — If necessary, provide an explanation of your entry. The explanation/cutline box is limited to 3,000 characters. It’s a good idea to write your explanation in another program, such as Word, and copy/paste into the explanation box. If a URL is required, fill in the URL box; there is no need to type “http://.”

Step 7 — Include the name of the entry. If uploading full-page PDF files, it will be helpful if the entry name matches the headline on the page so the judges can find it easily. If the judges cannot tell what is to be judged, the entry will be discarded without refund.

Step 8 — Include the name of the person or people who should be credited for any award. This is generally the writer, reporter, photographer, graphic artist, cartoonist, etc. It is not necessarily the name of the person submitting the entry nor the person picking up the award at the convention.

Step 9 — Add your file or files. You can drag and drop files or use the “Add files” button to navigate your files. Generally, files should be in PDF format except photos, which should be in high-resolution JPG format. Other files and URLs may be acceptable as noted in the special instructions. Upload as many files as are necessary to complete your entry but refer to the special instructions for any limitations.

Step 10 — **When you have completed your submission, click the “Save” button. If you click the “Back to list” button, you will lose the entry you just completed. After clicking “Save,” you will be directed back to the list of your entries.**

Step 11 — To submit another entry, click “Add New Entry.” As long as you have not logged out of the system, your newspaper name will still be in place and you can simply start at **Step 6** again. You may log out and log back in later to continue adding entries. You will need to select your newspaper name each time you log in.

Step 12 — If you are done submitting entries, please review the list. You may not change an entry, but you may delete an entry and resubmit it before the deadline.

If you have any questions, please contact Christopher Richert, ICPA 2nd vice president, at icpa@newspapercontest.com. Thanks for your interest in our 2016 contest.
