Step 2 — Login [here](#). You will see a page showing any entries you have already submitted. Complete rules for the NAE are available at the beginning of this document. Some browsers, such as Safari, will open the rules in a new window; others will require you to download the PDF file to your computer.

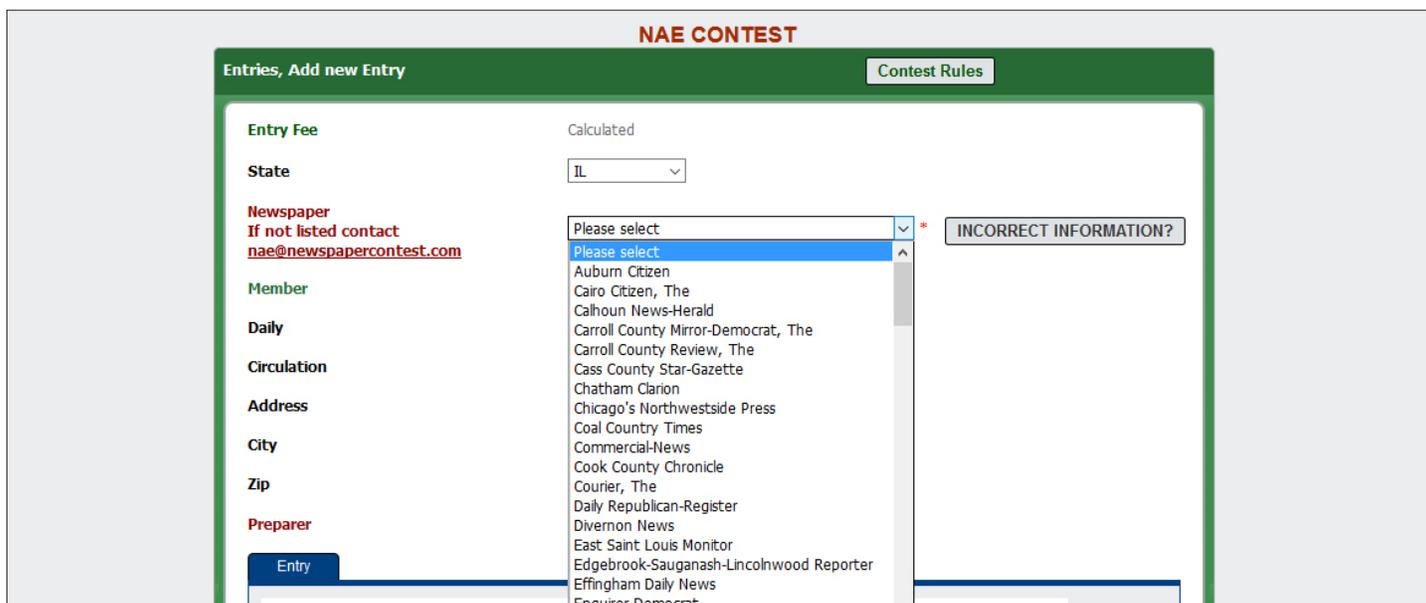

The image shows a login form titled "NAE CONTEST". At the top right is a link for "Back To Home". The form includes fields for "Username (email)", "Password", and a "Remember Password" checkbox. A "Register" link is located below the password field. A "Submit" button is at the bottom of the form.

Step 3 — Click on the “Add New Entry” link.

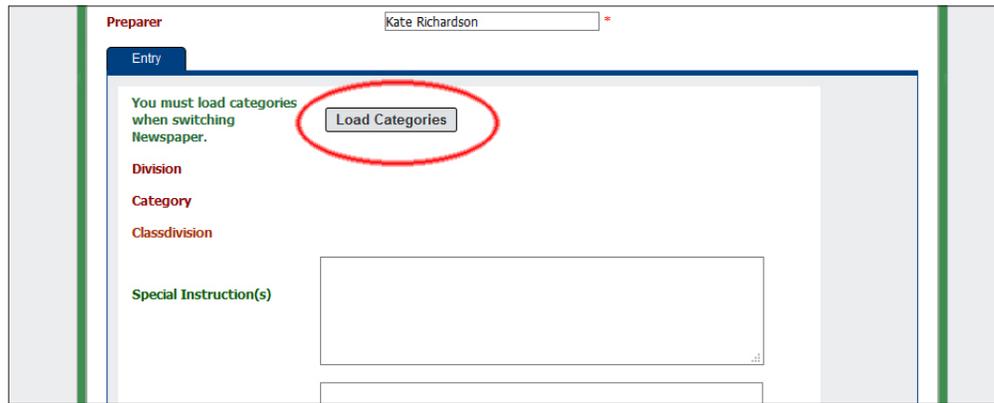

The image shows a dashboard for "NAE CONTEST". The user is logged in as "katerichardson529@gmail.com". A "Log out" button is visible. A green navigation bar contains the "Add New Entry" link, which is circled in red. Below the navigation bar, a table shows "No records found". On the left side, there are menu items for "Entries", "Billing Report", and "Contest Rules".

Step 4 — On this page, select your state and then your newspaper name. A lot of information will autofill. If that information is incorrect, please call the NNA at (217) 241-1300. Your Division will be selected for you based on your circulation. Fill in the preparer’s name.

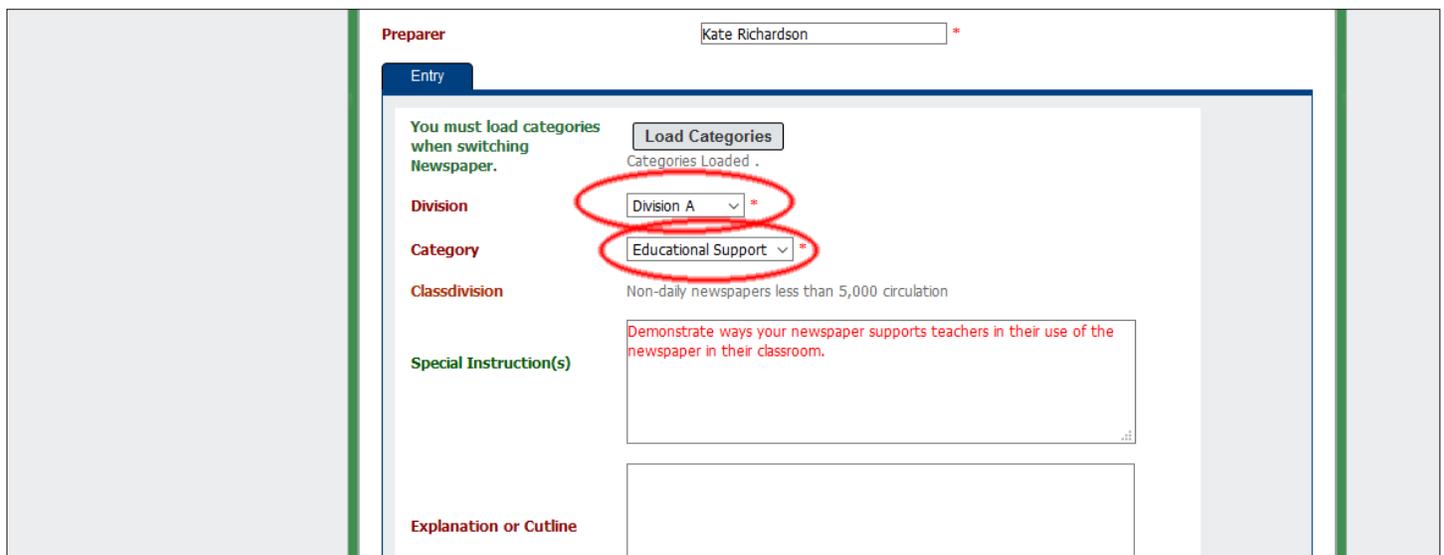

The image shows the "Add new Entry" form in the "NAE CONTEST" system. The form is titled "Entries, Add new Entry" and includes a "Contest Rules" link. The "Entry Fee" is calculated. The "State" is set to "IL". The "Newspaper" dropdown menu is open, showing a list of newspapers including Auburn Citizen, Cairo Citizen, The Calhoun News-Herald, Carroll County Mirror-Democrat, The Carroll County Review, The Cass County Star-Gazette, Chatham Clarion, Chicago's Northwestside Press, Coal Country Times, Commercial-News, Cook County Chronicle, Courier, The Daily Republican-Register, Divernon News, East Saint Louis Monitor, Edgebrook-Sauganash-Lincolnwood Reporter, Effingham Daily News, and Enquirer Democrat. An "INCORRECT INFORMATION?" button is visible next to the dropdown menu.

Step 5 — Select “Load Categories” to begin submitting entries. All required fields are marked with a red asterisk.

The screenshot shows the 'Entry' form with the preparer name 'Kate Richardson' at the top. A message states: 'You must load categories when switching Newspaper.' Below this, the 'Load Categories' button is circled in red. The form includes fields for 'Division', 'Category', and 'Classdivision', all marked with a red asterisk. A 'Special Instruction(s)' text area is also present.

Step 6 — Select the contest division then category. These are drop-down menus for your convenience. This field will clear each time you save an entry, so you must select a category for each new entry. When you select the category, special instructions will appear below it.

The screenshot shows the 'Entry' form with the preparer name 'Kate Richardson'. The 'Load Categories' button is now disabled. The 'Division' dropdown menu is set to 'Division A' and the 'Category' dropdown menu is set to 'Educational Support', both circled in red. The 'Classdivision' field is populated with 'Non-daily newspapers less than 5,000 circulation'. The 'Special Instruction(s)' field contains the text: 'Demonstrate ways your newspaper supports teachers in their use of the newspaper in their classroom.' The 'Explanation or Outline' field is empty.

Step 7 — If necessary, provide an explanation of your entry. The explanation/cutline box is limited to 3,000 characters. It's a good idea to write your explanation in another program, such as Word, and copy/paste into the explanation box. If a URL is required, fill in the URL box; there is no need to type “http://.”

Step 8 — Include the name of the entry. If uploading full-page PDF files, it will be helpful if the entry name matches the headline on the page so the judges can find it easily. If the judges cannot tell what is to be judged, the entry will be discarded without refund.

Step 9 — Include the name of the person or people who should be credited for any award. This is generally the NIE coordinator, a team member in the circulation department, etc. It is not necessarily the name of the person submitting the entry nor the person picking up the award at the convention.

Step 10 — Add your file or files. You can drag and drop files or use the “Add files” button to navigate your files. Generally, files should be in PDF format except photos, which should be in high-resolution JPG format. Other files and URLs may be acceptable as noted in the special instructions. Upload as many files as are necessary to complete your entry but refer to the special instructions for any limitations.

Step 11 — When you have completed your submission, click the “Save” button. If you click the “Back to list” button, you will lose the entry you just completed. After clicking “Save,” you will be directed back to the list of your entries.

The screenshot displays a web form for submitting an entry. The form includes the following fields and elements:

- Explanation or Outline:** A text area containing the text "We supported education with our special section...".
- URL (ex. www.google.com):** A text input field containing "www.illinoispress.org".
- Name of Entry:** A text input field containing "Supporting Education" with a red asterisk indicating it is a required field.
- Person(s) to Receive Award (Separate names with comma):** A text input field containing "Kate Richardson" with a red asterisk indicating it is a required field.
- File(s):** A section with a "100MB Per Entry Limit" warning. It shows a file named "PAR scholarships.JPG" (3.32 MB) with "Upload" and "Cancel" links. A red circle highlights the "Upload" button.
- System Use Only:** A label showing the number "36".
- Legend:** A red asterisk followed by the text "* - Required field".
- Buttons:** A green bar at the bottom contains "Save" and "Cancel" buttons. The "Save" button is circled in red.

Step 12 — To submit another entry, click “Add New Entry.” As long as you have not logged out of the system, your newspaper name will still be in place and you can simply start at Step 6 again. You may log out and log back in later to continue adding entries. You will need to select your newspaper name each time you log in.

Step 13 — If you are done submitting entries, please review the list. You may not change an entry, but you may delete an entry and resubmit it.
