

Kentucky Press Association News and Advertising Contests Rules

Eligibility:

Both contests are open only to paid-up members of the Kentucky Press Association. To be eligible, individuals must have been full- or part-time employees of the newspaper submitting the entry at the time the material was published.

Entry Fee:

A flat \$7 per entry fee is to be paid by the newspaper.

How many entries:

Newspapers may submit an unlimited number of entries in each category (unless noted in description) but a staff member's name may not appear on more than three individual entries per category.

Although bylines/credit lines are not mandatory, the name of the staff member(s) must be included for the entry since the staff member's name, as well as the name of the newspaper, will appear on plaques and certificates. If more than three (3) staff members are involved in that entry, please put Staff instead of listing the four or more names on the entry form.

Point Basis:

Five (5) points are given for each first place; three (3) points for each second place; one (1) point for each third place; and one (1) point for each Certificate of Merit.

General Excellence:

No entries are required. General Excellence will be awarded to newspapers in each circulation division. The top three newspapers in each division will be awarded General Excellence honors. Each first place award will count five (5) points; each second place award, three (3) points; and each third place award or certificate of merit, one (1) point in determining General Excellence winners.
